

FROM SEEDS... TO FRUIT TREES. 10 YEARS & COUNTING.

2014 (March)

GCSCORED, Inc. 501c3 IRS approval letter was obtained in 2014. During this year we started working on the first international GCSCORED conference to be held in 2015. We developed-Megan Hensley designed the first GCSCORED logo and website. The GCSCORED Board members wore multiple hats and still do. I was reaching out to many individuals, organizations, and other established institutions to garner support for the upcoming conference.
